IN MEMORIAM.

Nannie Sterrett Alexander oldest child of William T. and Mamie B. Alexander passed over the river of Death May 11th. 1893 aged 3 years Bmonths and I6 days.

The Master has crossed the threshold of that home has taken little Nannie Sterrett in his arms and borne her to his blessed home which is now hers. We cannot wonder at that however, for truly she was one of those of whom the Savior spoke, "of such is the Kinglom of Heaven." She was sick two weeks and suffered intensly yet no grown person could have disness- From baby-hood she was conscientious, sincere and truthful.

She seemed far beyond her years in the knowledge and practice of those virtues which brightened cheered and filled with love the lives of all who come in contact with her loving and lovable nature. Exceedingly affectionate she seemed prematurely old in the love, care, and thoughtfulness, which she exercised in "waiting on Mama

Even in her late short sickness she said to her Mother "Mother if Nannie Sterrett was well she would wait on you, now she Nannie. It is needless to say that everything possible was done for her by her loving parents and attentive physician and kind friends.

Plantation coloreà people are often afflicted, as Dr. Fenner found A when traveling in the south. Their diseases

Many of them had what they called "a rising under the jaw." This was a swelling of the paratoid or submaxilary gland. He used with them, invariably, his Golden Relief. As it relieved the pain and reduced the swelling almost immediately in every case, they called it "Golden Relief Quick," 2 not inappropriate name. Dr. Fenner not inappropriate name. Dr. Fenner met a planter who informed him that he would sooner be without corn meal and bacon on which his colored help subsisted, than Golden Relief, which he used to cure their ackes, pains, summer complaints and flux. This Remedy cures any ailment which has Inflammation and pain as its base, from a chronic bronchitis to a pulmonary consumption. Inflammation can no more exist in presence of this remedy than can the honey bee under the fumes of sulphur. No inflammation, no swelling, no pain, no bronchitis, no consumption. One table-spoonful dose is a certain cure for La Grippe. No narcotics or mineral poisons Safe and certain-never points. Money ref aded if satisfaction not given. Take a bottle home to-day.
